

LIFERS : HOW I ORGANIZE CLIENTS I'VE HAD FOR DECADES

APRIL 16, 2026. A PRESENTATION BY JUDITH KOLBERG Judith Kolberg

If you don't have them now, you will! A handful of clients with recalcitrant chronic disorganization, rolling organizational plights, and ever-changing projects. You'll learn what I do to improve their quality of life and enhance their organizational success, without driving myself crazy! It's a funny talk about these special clients with an opportunity to share your tips too.

KEY POINTS

- An understanding of long-term clients including the issue of dependency
- An expanded view on 'maintenance' organizing and organizational progress
- The opportunity 'lifera' provide for income stabilization and ongoing study/learning
